ID-LAMES-002
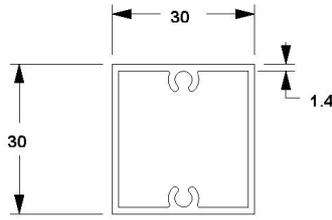

Brise soleil pas de 33mm
Notice de montage

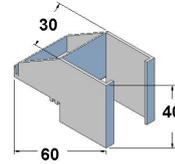

B

Conseil technique : un profil porteur (ref 9030) tous les 1 m
Les équerres prépercées permettent de fixer les poteaux 9030 au mur et garantissent un espace entre le mur et le poteaux pour glisser les entretoises plastiques 3313
Le montage s'opère en commençant par le bas du bardage.
